- 1) Print out the template on regular paper or cardstock and cut out the pieces.
- 2) Cut out the eye holes on the front of the mask, and make folds along all dotted lines. Using glue or double-sided tape, secure each tab to its corresponding piece. Punch holes on the sides of the mask where indicated.
- 3) Secure tabs on the right side of the helmet to their corresponding pieces.
- 4) Secure tabs on the left side of the helmet to the right side of the helmet to make the piece symmetrical.
- 5) Align the top of the helmet with the shaded area on the face mask, and secure with glue or double-sided tape.
- 6) Tie a string to each hole in the mask, and tie at the back of your child's head to secure Iron Man's helmet.
- 7) Using double-sided tape or a pin, secure the chest piece to your child's clothing.
